

Use this page to record any data that you collect using your *improved* remote sensing device(s).

Site A

Use this page to record any data that you collect using your *improved* remote sensing device(s).

Site B

How will you *communicate* the data you collected to the scientists? Write or draw your ideas below.

I will present my data as:

- | | | |
|--------------------------------------|---|--|
| <input type="checkbox"/> a graph | <input type="checkbox"/> a map | <input type="checkbox"/> something else: |
| <input type="checkbox"/> a sculpture | <input type="checkbox"/> an infographic | _____ |
